THE STORY

A year has passed since Gary "Eggsy" Unwin and the Secret Agency Kingsman saved the World from Richmond Valentine's Neurological Wave Broadcast. He has since taken his Late Mentor Harry Hart's title of Galahad and lives with Crown Princess Tilde of Sweden. On his way Home he is ambushed by Charlie Hesketh, a Former Kingsman Trainee who lost his Arm and Vocal Cords during the Valentine Incident. Eggsy evades Charlie and his Henchmen in a Car Chase across London. While Eggsy is away in Sweden, a Volley of Missiles destroy the Kingsman Headquarters and wipe out all of the Agents in Britain. Being the only Surviving Agents, Eggsy and Merlin follow an Emergency Protocol which leads them to Statesman, a Secret American Intelligence Agency posing as a Bourbon whiskey Distillery in Kentucky. There, they discover that Harry survived Valentine's Gunshot a year earlier due to timely Medical Attention by Statesman, but has lost his Left Eye and is suffering from Amnesia....

OUR REVIEW

Starting by the Small Sad Part, when it comes to its much-vaunted all-star Cast, the Majority of whom are barely even in it : Channing Tatum (as Eggsy's all-American "Statesman" Counterpart named Tequila) appears very few times before being cryogenically frozen. His Superior Jeff Bridges (called Champagne), who never seems to leave the Statesmen's Boardroom. Technical Advisor Halle Berry (called Ginger Ale), who spends the Film offering Directions from behind a Desktop Computer. Julianne Moore (called Poppy), a Drugs Baroness holding the World to Ransom with a Lethal Product, spends most of her Scenes standing behind the Counter of her Burger-bar-themed Lair.

The Interesting Side of this Action Spy Comedy Film comes from its 'Strong Clichés' : there's some Empathy, and more Value is placed on Human Life than in the Previous Film. Intense Action Violence includes Tons of Gun Shooting, Martial Arts Fighting, Punching, Kicking, Knives/Stabbing, Explosions, Car Chases, Blood Spurts, Dead Bodies,.... Language is also Strong. The main villain is a Woman Drug Dealer (called Poppy), and all Drug Users are threatened with death.... Anyway, the Film shows a strong generosity toward its Audience. It keeps giving and giving and giving, like a Thanksgiving Feast Movie. This Movie is full of Stars (added New Players) who seem having a Great Time.... We can notice the Great Hilarious Performance of Elton JOHN who plays himself.
