The first game of U23 Vietnam Football team in the AFC U23 Championship 2016 is coming. The final works of coach Miura's team to prepare for big games are completed.

After the hard training time, coach Miura allowed players to have some rests. It's necessary for players to relax and prepare good spirit for hard games. U23 players visited some places in Qatar and went shopping.

Before big games, coach Miura allowed players to take some rests to avoid seeing more unnecessary injuries. Currently, U23 Vietnam is having two injury cases: striker Van Thanh and defender Manh Hung. Manh Hung is running out of time for the first game against U23 Jordan. Striker Van Thanh doesn't have best health for playing yet. He had injury in the game against U23 Japan at January 07. However, he is neither so important player nor best striker of U23 Vietnam.

Before kick off, we can say nothing. Preparing good health and spirit is the good way to have expected score.
